

Purchase Power Exchange, LLC is a distributor of wireless communication products, offering competitively priced manufacturer brand names, ranging from simple hardware items to sophisticated equipment. We offer our products and services to businesses and government agencies that build, operate and maintain wireless broadband systems.

SUPPORTED SYSTEMS

- Outdoor Network Architecture
- o Point-to-Point Networks
 - o Point-to-Multipoint Networks
 - o Mesh Networks
 - o Cellular Networks - 3G/4G
 - o Two-Way Radio Networks
 - o Outdoor Distributed Antenna Systems (ODAS)

- Indoor Network Architecture
- o Local Area Networks
 - o Wireless Local Area Networks (WLAN)
 - o Indoor Distributed Antenna Systems (IDAS)

- Broadband Connectivity
- o Wireless Backhaul
 - o Leased Line Replacement
 - o Rural Broadband Connectivity
 - o Campus Coverage
 - o Broadband Connectivity for Enterprise Networks
 - o Enhanced Cellular Coverage
 - o Broadband Connectivity for Home Networks

PRODUCT CATEGORIES

- Distributed Antenna Systems (DAS) & Bi-Directional Amplifiers (BDA)
- o Bi-Directional Amplifiers
 - o Amplifiers & Repeaters
 - o Distributed Antenna Systems

- Broadband Radios
- o Point-to-Point Radios
 - o Point-to-Multipoint Radios
 - o Mesh Radios
 - o SCADA Radios
 - o Broadband System Accessories
 - o Cellular Gateways/Routers/Automation

- Network Equipment
- o Access Points & Controllers
 - o Routers & Switches
 - o Voice over IP (VoIP) Equipment
 - o Network Interfaces
 - o Multiplexers
 - o Media Converters
 - o Network Optimization & Management
 - o Ruggedized Computers

- Physical Security Systems
- o Video Surveillance
 - o Access Control

- Towers & Site Hardware
- o Monopole Tower Kits
 - o Self-Supporting Tower Kits
 - o Guyed Tower Kits
 - o Site Hardware & Shelter Equipment
 - o Base Station Antenna Mounts

- Enclosure & Cable Management
- o Indoor Enclosures
 - o Outdoor Enclosures
 - o Indoor Racks
 - o Indoor Cable Management

- Critical Communications
- o Interoperability Systems
 - o Disaster Recovery Communication
 - o In-Vehicle Communication
 - o Video Surveillance & Monitoring
 - o In-Building Communication

- Base Station Infrastructure
- o Tower & Monopole Base Station Infrastructure
 - o Shelter Entry
 - o Site Power
 - o Rooftop Base Station Infrastructure
 - o Remote Base Station Infrastructure
 - o Base Station Site Grounding
 - o Fiber-to-the-Antenna
 - o Climbing Safety

- Remote Monitoring & Control
- o Positive Train Control
 - o Smart Grid Monitoring & Control
 - o Pipeline & Well Monitoring & Control
 - o Video Surveillance Monitoring & Control
 - o Network Operations Control (NOC)

- Grounding & Arrestors
- o Electrical Surge Protection
 - o RF & Coaxial Surge Protection
 - o Data & Signal Surge Protection
 - o Grounding Systems & Accessories

- Cable, Connectors & Jumpers
- o Coaxial Cable, Connectors & Jumpers
 - o Fiber Optic Cable, Connectors & Jumpers
 - o Networking Cable, Connectors & Jumpers

- Base Station Antennas
- o In-Building Antennas
 - o Outdoor Base Station Antennas
 - o Filter Products

- Power Systems
- o Solar Power
 - o Backup Power
 - o Power Supplies
 - o Power Distribution Panels
 - o Batteries for Power Systems
 - o Inverters & Converters
 - o Delay Timers & Switches

- Test Equipment
- o RF Cable & Antenna Test Equipment
 - o RF Signal Analysis Test Equipment
 - o RF Power Measurement Test Equipment
 - o Telecom & Data Network Test Equipment
 - o Fiber Optic Test Equipment
 - o General-Purpose Test Equipment
 - o Test Cables & Accessories

- Maintenance, Repair & Assembly Productivity
- o Shop Maintenance & Repair Productivity
 - o Vehicle Maintenance & Repair Productivity
 - o Factory Maintenance, Repair & Assembly Productivity
 - o Store Maintenance & Repair Productivity
 - o Technician Productivity

- Wireless Device Productivity Enhancement
- o Mobile Phone Productivity Enhancement
 - o Laptop & Tablet Productivity Enhancement
 - o Two-Way Radio Productivity Enhancement

- Tools
- o Cable, Fiber & Telecom Tools
 - o Hand Tools
 - o Power Tools
 - o Flashlights & Lighting
 - o Toolkits & Cases
 - o Soldering & Workstations

- Installation Supplies
- o Electrical Supplies & Wire
 - o Chemicals
 - o Fasteners
 - o Cable Maintenance Supplies

- Safety Equipment & Supplies
- o Climbing Safety Equipment
 - o Personal Safety Equipment

- Device Accessories
- o Device-Specific Accessories
 - o Category-Specific Accessories

- Two-Way Radios & Accessories
- o Two-Way Radios
 - o Accessories
 - o Telephony Interconnect & Remote Control
 - o Interoperability & Radio over IP (RoIP)
 - o Public Address Equipment

- Mobile Antennas & Amplifiers
- o Mobile Antennas
 - o Mobile Antenna Accessories
 - o Mobile Antenna Mounts
 - o Mobile Amplifiers

- Vehicle Mounts
- o Vehicle Laptop Mounts
 - o Vehicle Radio Mounts

Distributor of Wireless Communication Products

- o 350+ Suppliers
- o 25,000+ SKUs
- o Global Logistics & Kitting
- o EDI Capable – all transactions
- o Real-time Scorecards

Founded & Headquartered
May 2008 in Austin, Texas

Track Record

- o Procured ~\$402M in wireless products from 2009-2015

Awards & Recognition

- o 2010 Diversity NXT Award CTIA
- o Selected by AT&T to co-present best practice diversity business model for Innovation, Capacity & ROI at National WBENC event

Customers

- State of Texas
- o TXDOT
- o U.S. Navy
- o U.S.D.A. Forestry
- o TESSCO Technologies, Inc.
- o Black & Veatch
- o Goodman Networks, Inc.
- o C Squared Systems, LLC
- o Peak Power Services, Inc.
- o VFP, Inc.
- o NeoCom Solutions, Inc.

Industries Served

- o Public Carriers
- o Government
- o Manufacturing
- o Energy
- o Healthcare
- o Education
- o Transportation
- o Technology
- o Enterprise
- o Retail
